NATIONAL ANTHEM

God bless our homeland Ghana,
And make our nation great and strong;
Bold to defend forever,
The cause of freedom and of right
Fill our hearts with true humility
Make us cherish fearless honesty,
And help us to resist oppressor's rule
With all our will and might for evermore.

UEW ANTHEM

We Hail You, Oh UEW
Your Name is in our hearts
We uphold You, and are proud of You
For You make the Nation's Teachers strong
Our Love for You arouses us
To nobler thoughts, to nobler words, to nobler deeds,
And to nobler heights;
We shall learn to serve
UEW shall grow
By the power
By the power of God.

REFRAIN:

"Victory, shall be ours"
"Victory, shall be ours"
"Victory, shall be ours"
We shall fight, fight on and succeed.

The University Logo

The principal motif of the University Crest, the “Adinkra Ntesie” is a Ghanaian cultural symbol associated with wisdom and knowledge as the essential ingredients of education.

Arising from the “Adinkra” motif is a torch radiating its light in all directions, suggesting that the knowledge nurtured at the University would become a source of enlightenment to all people far and wide. It is a flame that would dispel the darkness of ignorance.

The Starburst motif of the Crest is made up of different wave lengths and conveys the idea that teachers trained by the University would disperse into every corner of the country and render services to all Ghanaians irrespective of social status, religion or sex.

The red colour combines with the blue against a background of pure white to symbolise hard work and perseverance. All the symbols are set in a circle bearing the motto: Education for Service and symbolising the completeness of training at the University of Education, Winneba.
