Fill our hearts with true humility
Make us cherish fearless honesty,

With all our will and might for evermore.

UEW AT A GLANCE

The University of Education, Winneba is Ghana's premier Teacher Education University. It was established to produce professional educators and to conduct relevant research that will help inform the direction of development of education and educational policies.

Over twenty years of its existence, the University has graduated over 70,000 individuals with certificates, diplomas, bachelors and postgraduate degrees. The University has lived up to its mandate by constantly reviewing the content of academic programmes and conducting research to meet the exigencies of the times.

The University has two institutes, two schools, ten faculties and over fifty academic departments. Over 160 undergraduate and postgraduate academic programmes are run by the University.

BRIEF HISTORY

The University of Education, Winneba (UEW) was established in September, 1992 as a University College under PNDC Law 322. On 14th May, 2004 the University of Education Act, Act 672 was enacted to upgrade the status of the University College of Education of Winneba to the status of a full University

The University College of Education of Winneba brought together seven diploma awarding colleges located in different towns under one umbrella institution. These Colleges were the Advanced Teacher Training College, the Specialist Training College and the National Academy of Music, all at Winneba; the School of Ghana Languages, Ajumako; the College of Special Education, Akwapim-Mampong; the Advanced Technical Training College, Kumasi; and the St. Andrews Agricultural Training College, Mampong-Ashanti.

The three sites in Winneba now referred to as the Winneba campus is the seat of the Vice-Chancellor with satellite campuses at Kumasi, Mampong and Ajumako.

THE UNIVERSITY LOGO

The principal motif of the University Crest, the “Adinkra Ntesie” is a Ghanaian cultural symbol associated with wisdom and knowledge as the essential ingredients of education.

Arising from the “Adinkra” motif is a torch radiating its light in all directions, suggesting that the knowledge nurtured at the University would become a source of enlightenment to all people far and wide. It is a flame that would dispel the darkness of ignorance.

The red colour combines with the blue against a background of pure white to symbolise hard work and perseverance. All the symbols are set in a circle bearing the motto: Education for Service and symbolising the completeness of training at the University of Education, Winneba.

The Starburst motif of the Crest is made up of different wave lengths and conveys the idea that teachers trained by the University would disperse into every corner of the country and render services to all Ghanaians irrespective of social status, religion or sex.
