IPOP PROGRAMME FOR 2016-2017

The ODSA has reviewed its **Intensive Pre-academic Orientation Programme (IPOP)** for the 2016-2017 academic year in collaboration with the **University Library** as follows:

1. A 'Day' has been created for Deans, designated "**Meet Your Faculty**" where Deans (together with their HoDs) are to welcome fresh undergraduate and postgraduate students and introduce their Faculty (Teaching and Non-teaching staff including Liaison Librarians) and also outline the Faculty's general policies. The **date** for this event is **Tuesday, 23rd August, 2016**.
2. The two major activities of IPOP (i. seated presentations & ii. mobile library tours) will alternate. Three groups have been identified, viz., undergraduate, postgraduate and international students.
3. As a result, two gargantuan undergraduate groups have been created to facilitate the concurrent running of the *seated presentations* and the *mobile library tours*. **GROUP I** = FES, FSE & FLLCS; **GROUP II** = FSSE & SCA.
4. **Groups III** and **IV** are postgraduate and international students respectively.
5. For the reasons above, two slots for the orientation have again been created from the two-week period assigned to orientation on the UEW Calendar; viz. (i) **Wednesday, 24th – Friday, 26th August, 2016** and (ii) **Monday 29th – Wednesday, 31st August, 2016**.

Please, find below the *IPOP Schedule for 2016-2017*.

We hope all fresh students would take note of the arrangements and endeavour to attend.
