OVERVIEW OF SCHOOL OF GRADUATE STUDIES

The School of Graduate Studies was established in the 1999/2000 academic year to address the academic manpower requirements of some selected departments.

Before the establishment, however, a Memorandum of Understanding (MOU) was signed in 1996 between the then University College of Education, Winneba (UCEW) and the University of New York at Brockport (SUNY Brockport). The purpose of the MOU was for SUNY Brockport to assist in upgrading the academic qualifications of staff in the Department of Health, Physical Education, Recreation and Sports (HPERS). A number of students were trained under this scheme.

The first programme initiated by the School was a Masters programme in Ghanaian Languages (Applied Linguistics) Three new programmes, namely Masters in French, Masters in Social Studies Education and a Postgraduate Diploma in Educational Administration and Management, were started in the 2003/2004 academic year.

The Brochure

This brochure is to inform the public and provide would-be students, the information needed to make informed decisions. The brochure contains general information on UEW's academic programmes. Prospective students and parents in particular would find the pieces of information provided very useful in the sense that frequently asked questions like: "What programmes are available? Who can enter your programmes? What are the programmes about? etc have been answered.

(Studio Art, Art Education, Design or Art History) from a recognized tertiary institution.

M.ED EDUCATIONAL ADMINISTRATION AND MANAGEMENT

Applicants must:

- i. Possess a good first degree (at least 2nd Class Lower Division) from the University of Education or other Universities recognised by the Academic Board of the University of Education, Winneba or from any institution accredited by the National Accreditation Board of Ghana. cope with the programme may be considered for admission. Such applicants must write and pass a selection examination and an interview.

M. PHIL. (TECHNOLOGY)

A candidate must meet the following requirements for admission:

- (a) A Bachelor's Degree in Technology, or Technical, or any Engineering/ Building discipline with at least a 2nd class division pass. Applicants without education studies shall be required to take some additional courses in education studies at the undergraduate level.
- (b) Submit a statement of purpose or research interest.

M. PHIL ANIMAL SCIENCE

Entry requirement for admission of students:

For admission to the M Phil programme candidates should possess a B.Sc. or B.Ed. degree in Agriculture with a first or second class.

A B.Sc. degree in a field related to agriculture (e.g. biology, biochemistry and microbiology) may be accepted if this degree is deemed relevant to the student's chosen area of specialization. Areas of Specialization include:

- » Non-Ruminant Nutrition
- » Ruminant Nutrition
- » Animal Production and Management
- » Animal Breeding & Genetics
- » Animal Reproductive Physiology
- » Meat Science and Technology

Candidates are required to pass an interview before being admitted.

PHD ANIMAL SCIENCE

Entry requirement for admission of students:

Admission to the PhD programmes will require a relevant masters' degree (M.Phil.) from an accredited University. An M.Sc. degree with research in the relevant field will also be considered for admission. Areas of specialization include:

- » Non-Ruminant Nutrition
- » Ruminant Nutrition
- » Animal Production and Management
- » Animal Breeding & Genetics
- » Animal Reproductive Physiology

Candidates are required to pass an interview before being admitted.

M. PHIL CROP/SOIL SCIENCE

Entry requirements for admission

For admission to the M Phil programme candidates should possess a B.Sc. or B.Ed. degree in Agriculture with a First Class or Second Class.

A B.Sc. degree in a field related to agriculture (e.g. biology, biochemistry and microbiology) may be accepted if this degree is deemed relevant to the student's chosen area of specialization.

- » Agronomy/Crop Physiology
- » Soil Science
- » Entomology
- » Plant Pathology
- » Plant Breeding

Candidates are required to pass an interview before being admitted.

PHD CROP/SOIL SCIENCE

Entry requirements for admission

Admission to the PhD programmes will require a relevant masters' degree (MPhil) from an accredited University. An MSc degree with research in the relevant field will also be

considered for admission. Areas of specialization include:

- » Agronomy/Crop Physiology
- » Entomology
- » Plant Pathology
- » Plant Breeding
- » Soil Fertility and Nutrition
- » Soil and Water Conservation

Candidates are required to pass an interview before being admitted.

M. PHIL. CHEMISTRY EDUCATION - MAMPONG

Applicants must:

- i. Possess a good first degree (at least 2nd class lower) in Chemistry from a recognized University.

- ii. Pass a selection interview.

MSC IN ENVIRONMENTAL AND OCCUPATIONAL HEALTH EDUCATION

Applicants must:

- i. Possess a good first degree (at least 2nd class lower) in Environmental Health and Sanitation Education or a related field e.g. Biological Sciences, Environmental Science, Public Health etc.

- ii. Pass a selection interview.

MASTER OF TECHNOLOGY (M.TECH.)

A candidate must meet the following requirements for admission:

- (a) A good Bachelor's Degree in Technology, Technical, Vocational Education or Engineering
- (b) Submit a statement of research interest.

1-YEAR TOP-UP TO M. PHIL PROGRAMMES

1-YEAR TOP-UP M.ED. TO M. PHIL. IN EDUCATIONAL ADMINISTRATION AND MANAGEMENT

(a) Applicants must possess:

- i. a minimum degree of 2nd Class Lower Division in Educational Administration and Management or related discipline.
- ii. G.P.A. of not less than 3.0 from M.Ed. (Educational Administration) programme.

(b) Applicant(s) must pass the selection interview.

1-YEAR TOP-UP M.ED. TO M. PHIL. IN SPECIAL EDUCATION
